## **HISTORIC AMERICAN BUILDINGS SURVEY**

### **HOUSE FRAMING**

**HABS No. MA-1331**

Location: Not specified, Winthrop, Suffolk County, Massachusetts.

Significance: Sketched on the reverse of two Christmas promotional advertisements from Boston businesses is the framing for a house thought to be dated 1640-60. Most likely the "Mr. Brown" to whom the holiday mailings were sent was Frank Choteau Brown, a district officer for the early HABS survey. Brown dated his framing plans to December 9, 1941.

Materials: There are field measurements that record the framing.
